Cubeez

6+ | 2 - 4 | 15 min.

CONTENTS

- 12 Cubeez dice (4 sets of 3)
- 50 Challenge Cards

INTRODUCTION

One eye here, a smile there. Quick! Will your Cubeez be surprised, sad, happy, angry or a little bit of everything? It changes every time so pay attention and think quick as you race to be the winner!

OBJECT OF THE GAME

Race to put together the faces pictured on the challenge cards using your 3 Cubeez dice.

The first player to correctly replicate the face wins the card.

The first player to get 10 cards wins the game!

SET-UP

- Shuffle the cards and put them in a face down deck in the centre of the table.

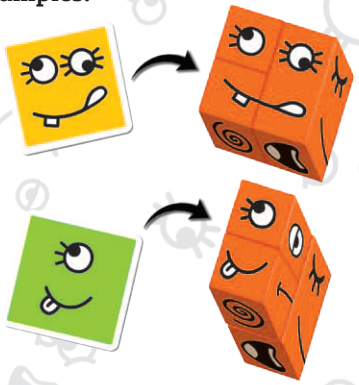
- Each player takes 3 Cubeez dice of the same color (2 square + 1 rectangular)

PLAYING THE GAME

- To start, the oldest player flips over a challenge card. For following rounds, players take turns flipping over the cards.

- Everyone then races to turn, flip and position the 3 Cubeez dice so that the overhead view matches the picture on the challenge card.

Examples:



This means you might have to stack dice on top of each other!

When you think you have successfully completed a challenge, place your hand on the draw pile.

- If you are right, you win the challenge card.

- If you are wrong, you are eliminated from the round and play continues without you.

END OF THE GAME

The game ends when one player has collected 10 cards ... and wins the game.
