

The elephants are ready to impress.
Help the circus troupe in their star
attraction but don't let them fall!
Taking turns, roll the die to find out how many
elephants to add on to the pyramid.
Place the last elephant on the pyramid
and win the game!

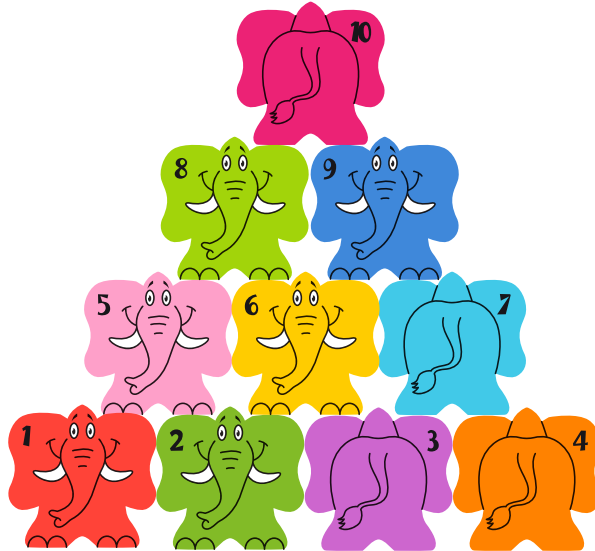

Contents:

10 Elephants
5 Jokers: 2 Clowns, 1 Gorilla, 1 Lion, 1
Bear
3 Balancing Bars
1 Die

Object of the game:

To successfully place the 10th elephant on
top
of the pyramid without it falling.

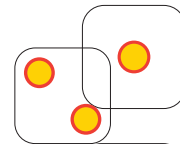

Playing the game:

On your turn, roll the die:

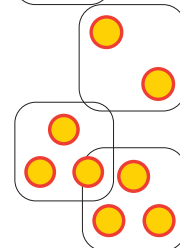

If you roll a one, put one elephant
on the pyramid.

If you roll a two, put two elephants
on the pyramid.

If you roll a three, put three elephants
on the pyramid.

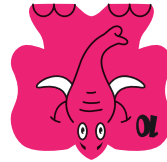

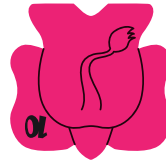

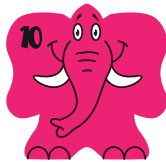

If you roll a star, put one bar
or one joker on the pyramid.

When building your pyramid, add on the elephants in numerical order, starting with elephant #1 and finishing with #10.

Put each new piece either above the previous piece or at the same level, but never below it.

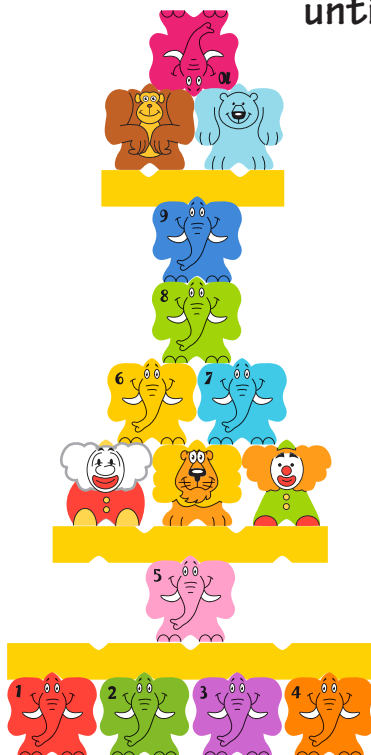

Pieces can be placed on the pyramid in any of these positions:

Winning the game:

The player who places the 10th elephant on the pyramid without making it fall wins the game!

If the pyramid tumbles down, begin a new game and play until there is a winner.
